Desiderata

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. Avoid loud and aggressive persons they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the council of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imagining. Many fears are born of fatigue and loneliness. You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

Hold fast to dreams

Frozen with snow.

We Prepare To Leave

There is one word that sums up exactly what the Senior Class thought about all year long . . . Graduation. This far-away dream became a little more real when, in August, we took our seats in the Senior Lounge to argue about the Senior trip, prom and other essential activities. Prom was set for May 8th at the Bon Homme Richard with Sunny Days Revue providing the music, Disney World in Florida was the decided destination for the Senior Trip. Class colors, flower, song and motto were also chosen. The bicentennial colors of red, white and blue were picked and the class flower would be an orange rose. "Stairway To Heaven" was the official song with "The Theme From Mahogany" an unofficial first. The class motto stated the following, "We hold the idea of today that will be the history of tomorrow" written by Peggy Thornberry. Seniors did join together to work on the Homecoming float, first at Kathy Redhair's house, then at Robin Collins. In March, the class sponsored a "slave sale" in which many seniors were auctioned off and, as many discovered, were forced to perform menial tasks. Seniors participated in many extra-curricular activities during the year and, in general, kept the name of the Class of '76 alive as that of the best class in the school.

As We Advance In Life, We Learn The Limits Of Our Abilities

A year of maturity was evident to all as the Juniors led the school in spirit and zeal. The Junior Class began its active year by collecting a number of cans during the Christmas canned food drive, and winning the Christmas decorating contest.

Emotion peaked at the Ring Dance marking the class's readiness to achieve leadership next year.

The Wave Of The Future Is Coming And There Is No Turning Back

The Sophomore Class, in spite of excellent leadership, found '75-76 to be a frustrating year; most activities and traditions belong to other classes or clubs. Members of the class showed their spirit, however, by helping on the underclass float for homecoming and selling magazines for the magazine drive.

For many sophomores, the second year of high school proved to be a year of getting involved as individuals in student government, athletics, dramatics and club activities, so that in the future they will be able to unite and prove that "The Class of '78 is Great."

Class Sponsors: Mrs. Tyree and Mr. Hopson.

The Race To Learn Has Begun

With a questionable understanding of their position at Tabb High, the Freshmen spent the year adjusting to the mainstream of school life. The transition from eighth grade supremacy to the common place of the ninth grader is never easy, however the class of '79 accepted the challenge!

Mr. Miller Leaves Tabb

"This is not the end, it is not even the beginning of the end, but it is perhaps the end of the beginning." Winston Churchill somehow sums up the situation of our recently-resigned Principal Mr. Richard B. Miller. A long and involved past which, began in Augusta County, now is taking on new dimensions as Assistant Superintendent of York County Public Schools and has opened up a future of high hopes.

He attended Triplett Elementary School in Mt. Jackson and also Triplett High School. At VPI and UVA he received a B.S. and M.Ed. respectively. In Shenandoah County, he acted as the elementary school principal and later took over his first vice principal position of Harrisonburg High School. In September 1966, as York High School's Principal, he handled the maelstrom of paperwork, duties and operation with such smoothness and success that when Tabb High School opened in 1972, he assumed the extremely respected and demanding role of Principal and was faced with the extraordinary task of putting a new Tabb High "on it's feet and kicking."

Presently acting as Assistant Superintendent, Mr. Miller enjoys the added administrative dimensions of his work now, but misses the personal contact and emotion he was so used to in the past. Mr. Miller will surely be missed and his presence will be felt indirectly if not directly. A truly dedicated man: Mr.

Richard B. Miller.

"Dedication" Is Mr. Morris In One Word

On February 2, 1976, Mr. Robert T. Morris became the second Principal of Tabb High School.

Mr. Morris has been a life-long resident of Virginia except for a short time spent in New York and two drafted terms in the United States Army.

He grew up on the family's farm, fishing with his father and taking work available to him in the rural community. His father gave him some good advice which he passes on today, "Learn to do anything that gives you an honest dollar." This advice has enabled him to excel in all he has undertaken.

Mr. Morris attended two high schools, Gloucester County Training School and Rappahannock Industrial Academy, with the intention of going into medicine. Later he decided it would be to his family's advantage for him to teach. He also attended the College of William and Mary, Old Dominion University and Virginia State College, where he received his B.S. and M.S.

In his spare time, Mr. Morris enjoys the company of his wife and son while he dabbles in farming and cooking, his favorite hobbies.

We all want to wish continued good luck to Mr. Robert Morris in his coming years at Tabb High School.

Assistant Principals Make Daily Rounds

Mr. Charles Cherry; Elizabeth City State College, Hampton Institute.
Mr. Edwin Markoff; William and Mary, Richmond Professional Institute of the College of William and Mary,
Old Dominion University.

Besides their many responsibilities as Assistant Principals, Mr. Ed Markoff also holds the position as Tabb's athletic and activities advisor, while Mr. Charles Cherry handles classroom instruction. Their constant attention helped to smooth the transition of Mr. Miller's departure and Mr. Morris' arrival. This is Mr. Cherry's last year at Tabb for he had acquired the position of Principal at Queens Lake Intermediate. Mr. Markoff will still be found haunting Tabb's halls with his "big orange spirit" next year.

Tabb Has National Secretary Of The Year

The secretaries at Tabb High perform the clerical tasks necessary to efficiently operate the school. Mrs. Doris Barnes, secretary to Mr. Miller and Mr. Morris, was honored this year by being chosen National Educational Secretary of 1975. Mrs. Doris Burcher, secretary to Mr. Cherry, is in charge of school attendance and tardies. Mrs. Joanne Allamby is the school receptionist and Mr. Markoff's secretary. Mrs. Mary Fox, as guidance secretary, is constantly busy enrolling new students, withdrawing those that are leaving, preparing transcripts for collegebound students and those transferring to new schools.

Guidance Helps Students Move To Future

Despite huge amounts of paperwork, the guidance office manages to supply each student with invaluable personal aid. Helping the individual student make his or her choice for future education or employment is an everyday job for Tabb's counselors.

Librarians And Nurse Aid Students

Students at Tabb High needing assistance in locating research materials are guided by librarians Mrs. Cynthia Ford and Mrs. Nettie Morgan. Assisting them is library aide Mrs. Helen Hubbard. Mrs. Hawkins, our full-time nurse, manages to keep our active student body in running order.

Service With A Smile

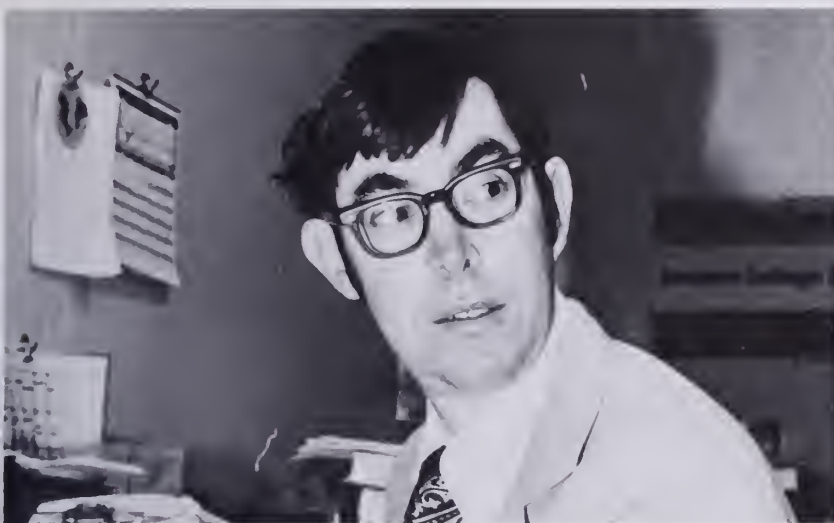

Without all the work done by our permanent substitutes and aides a great number of classes would never be held. Who else besides these dedicated people would do all the work that they perform; typing tests, worksheets, quizzes, and even taking over classes when they are needed. Our visiting teacher Mrs. Ivy, helps students continue their education when they are unable to attend their regular classes.

Directors Must Be Given Credit

Behind the scenes of calm, cool, and collected school life, you will be sure to find three very busy and important people. Tabb could not exist without the work done by its directors Mrs. Smith of Humanities, Mr. Doggins of Science/Mathematics and Mr. Woolard of Vocational Technology. As department directors, their duties are many and varied, ranging from supplying textbooks for classes, aiding teachers with instructional plans, scheduling classroom space, and still teaching their own classes.

Bottom Left: Mrs. Elizabeth Smith, Madison College, William and Mary; Senior Class.

Student Teachers Invade

The SCOPE Program provides variety and challenge for everyone involved in the English Department. Subjects range from a general topic such as writing to a specific topic such as Women in Literature. Grammar classes practice putting every work in exactly the right place while Journalism classes collect articles for their paper. "A class for everyone, providing an unlimited amount of opportunities," is the English department's motto.

Civic Responsibility:

This year's SCOPE Program introduced many new courses in the fields of government, psychology and social studies. This meant that both teachers and students had to spend more time preparing and studying, whether the class be Current Social Problems or Free Enterprise. Sociology classes studied crime and delinquency while psychology students learned about one's own identity and many other important steps in human development.

Advanced Biology Completes

While attempting to teach the Einsteins of the future, our Science Department provides students with vivid experiences to stimulate growth in knowledge, skills, interests and appreciation of science through an activity-centered program. The program is structured to present an inquiry approach into the nature of life and the properties of matter based upon the understanding of basic concepts.

At the basic levels, emphasis is placed on human ecology, one of the major areas of interest in contemporary science. Efforts are made to expose the student to topics in adequate depth, without overwhelming them with the encyclopedia detail.

SCA Increases Activities For Student Body

The SCA really went all out this year to provide activities for the students. They started out the year with a slide-show presentation at orientation. The next big project was Homecoming. A bonfire, floats, homecoming queen and her court, along with a volkswagon march during half-time, highlighted the festivities. Films were shown the day before Halloween in the first Dracula Film Festival.

November yielded a nightclub atmosphere as fellow students and teachers entertained the large crowd.

With Christmas around the bend, a Christmas Ball was planned. This dance was the finale of a Christmas decoration contest. As the new year began, trees were planted to celebrate the Bicentennial. Cindy Behlmar was crowned Miss Tabb High in the pageant held in February.

In celebration of the Bicentennial an assembly brought to light our nation's 200th birthday that we honor this year. Excitement was paramount as a dance marathon was sponsored by SCA for the benefit of the Virginia Association for Retarded Citizens. Over \$2000 was collected to go to this worthy cause. A Sadie Hawkins dance was the highlight of Sadie Hawkins day. Finally the women were put in charge.

New officers were elected, and took over their offices to organize a Silent Film Festival.

In conclusion, the SCA thanks you for your cooperation and hopes next year will be a tremendous success.

Sally Thinks We're Cool!

This year's Key Club participated in a multitude of service-oriented projects throughout the community. Key Clubbers aided workers in setting up the Patrick Henry Fair and the Bloodmobile at Tabb. Many members worked at the Virginia School for the Blind at Hampton, while others assisted at the York County Public Library. Running the concession stand for home basketball games and ushering for most school programs became major functions of the Key Club. Besides sponsoring two school dances, the club held a contest to find the Key Club "Mr. Cool." Finalists' pictures, in their "cool" poses, were sent to Sally Struthers where she picked Kyle Bateman to reign over THS as "Mr. Key Club Cool." Key Clubbers of the year: Pete Windham and Andy Deskins. Officers: President: Pete Windham, Vice-President: Don Kane, Secretary: Andy Deskins, Treasurer:

Keyettes Have Busy Year

Keyettes have been quite busy this year. Besides working to improve the community and Tabb High, the Keyettes have also participated in the required activities of District Keyettes. This year the Keyettes have done such things as worked at the Health Fair, sold mums at Homecoming, helped a needy family at Christmas and collected for the Heart Fund. Some of the Keyettes took part in the March of Dimes Walk-a-Thon. Keyettes sponsored Key-Etiquette Day. With their civic sponsors they had a Mother-Daughter night. The most recent project was the selling of jewelry for funds. In District Keyettes they participated in R.D.T., and sold candy. Next year they expect to have a better and more fullfilling year.

Tigers March To Canada

The Tabb Tiger Band began the year, as always, appearing as the half-time entertainment for the "at home" football games. All shows were well received by the audiences, but the "Fifties" show and the "Halloween" program were the highlights of football season. The "Most Popular Band in Tidewater" award was presented to the Tiger Band by Radio Station WGH. Along with this honor went \$1000 to spend on band instruments. Other awards included a first-place trophy at the Williamsburg Christmas Parade — for the third time in four years — and excellent ratings at the District VIII Band Festival.

The trip to Canada proved to be the most exciting experience of the year. Each band member had to earn his way to Canada by selling oranges and grapefruit from Florida. Over 1900 boxes were sold and distributed throughout the area. Sunny Days Revue also extended its help and interest in sending the band to visit our northern neighbors. The band spent the first night of the trip in Niagara Falls, N.Y., and then traveled on to Toronto.

After performing at the Applewood Heights Secondary School, the Tigers were off to Montreal for sight-seeing, and ended the trip with a concert at Independence Mall in Philadelphia. It was another successful year for Mr. Ironmonger and his bands.

Stage Band Receives Superior Ratings

This year's Stage Band, under the direction of Percy Ironmonger, once again displayed its varied talents by participating in several events. The first concert was highlighted by a performance of the Alex Jenkins Quartet. For the fourth consecutive year the Stage Band received superior ratings at District VIII Festival. Tabb again received superior ratings, while senior Sandy Hancock received an "outstanding soloist" award.

The Stage Band was always a welcome addition to many of Tabb's student activities, as well as performing for many civic functions.

Majorettes Display Bicentennial Costumes

It was not an uncommon sight to see the Tabb High Majorettes practicing in the Commons after school every day from September through November. In fact, if you happened to be at Tabb during the summer, they had already begun long hard hours of work in July. Above all, the girls learned to work as a team and what true dedication to an activity could be. With Jackie Adams as Captain and Peggy Steele as Co-Captain, the girls complimented the band by participating in half-time shows, concerts, parades and pep rallies. Not to be outdone, the Majorettes added a patriotic stars and stripes costume to their many uniforms. These outfits were first used at the joint half-time show with York High. The culminating event was a trip to Canada at Easter with the Tabb Tiger Band.

This year the Tabb High Choral Department exhibited fine talents and terrific enthusiasm under the exciting and forever-demanding direction of Mr. William A. Tew.

The A Cappella, Girls' and Male Choruses participated in four major concerts: Fall, Christmas with the Band, the Windy concert and the Spring Finale.

Twenty people from Tabb were selected for Regional Chorus, while one, Chris Fisher, went on to All-State Chorus.

Special achievement awards for the year went to: In A Cappella Choir — Most Contributed: Lee Ann Hartman. Most Improved: Mike Dinkins. In Girls' Chorus — Most Contributed: Natalie Butts. To Speak Or Not To Speak . . .

Although they didn't say much, the Mime Troupe managed to get across many ideas during their performances.

This year's Mime Troupe consisted of six members: (from back to front) Cindi King, David Jensen, Steve Luke, Marty Ashby, Jody Rowell and Chris Luke.

Some of the varied performances included the Bicentennial Assembly held by the S.C.A. in March. Their skits displayed the creative talents that made this year's Mime Troupe "the best." Honestly, though, Mime Troupe was just a lot of fun for everyone involved.

Thespian Troupe 1585

Under the direction of Ms. Barbara Zalumas and Mrs. Marian Smith, the Thespians had a very successful and enlightening year. The Thespian Society is an organization made up of outstanding honor drama students who must earn a specific number of points to even be eligible, then must have a $\frac{2}{3}$ vote by the members to be tapped. The society is the underlying foundation of all the dramatic productions at Tabb. Despite great obstacles this year, the Thespians came through to put on a fine production of "The Best of Broadway" which was allowed a mere four weeks of rehearsal time.

This year's debate and forensics team competed in fifteen meets. Seventeen trophies and thirteen certificates were awarded to the group throughout the year. Each time the team entered competition, it brought back to Tabb a first or second place trophy. Four members of the group went to State. They were: Bobbie Wagner — 3rd, Bruce Cunningham — 3rd, Steve Luke — 5th and Cathy Gracy — 5th.

Students In NJROTC

Students graduating from Tabb High School last year won \$470,000 worth of college scholarships and in addition enabled the students to enter into the services with higher pay grades. Extra curricular activities included the Annual Military Ball held at the Officers Club at Langley Air Force Base, the Annual Awards Night, where cadets who have distinguished themselves during the year were recognized, and many other varied programs. Field trips were held during the year with trips at sea on Navy ships, flights in helicopters and other items contributed to a well rounded year for the cadets. The NJROTC Rifle Team and the Drill Team competed with other units throughout the year. The Drill teams participated in many parades including the Williamsburg Christmas Parade, Armed Forces Day Parade in Phoebus, Loyalty Day in Hampton and ROTC Day at Hampton Institute.

International Week

This year all foreign language clubs joined together to form the International Club. Each language still maintained its own club and activities but all major activities were carried out by the combined club. The year's program included a Christmas party on December 9th and a trip to Washington D.C. in the Spring. An International Week was also sponsored in March. During this week, each club had one day to display articles from their country to the entire school body.

Paw Prints Produced At Tabb

This year's Paw Prints staff was composed of Journalism I students who put to use what they learned in class. Five editions of the paper were printed this year, with the entire production process done at Tabb. Staff members not only collected information, wrote and proofread all copy and headlines, they also did all the layouts and offsetting in the graphics arts room. An effort was made this year to cover all the aspects of school news with a special page for club activities and classes. The number of pages was also increased from eight to twelve, with a final issue in June of sixteen pages including a front-page collage emphasizing seniors. The major accomplishment of the staff was producing the entire paper at Tabb. A special thanks must go to Mrs. Sharon Horton and her Steno II and Clerk Typist II class (especially Mary Henkel and Susie Irwin), along with photographers Mr. John Dawson, Steve Wilson, Anne Derby, Mark Christie, Roger Schemenauer, Shawn Jewel, Scott Stewart and artist David Copeland. Staff Members: (Top Right) Seated: Sheela Fortner — Business Mgr., Melinda Padgett — Circulation, Susie Irwin — News Editor, Billy Dougherty — Feature Editor, Frank Green — Sports Editor, Regina Olson — Layout. '76 Bengal Staff Has Slow Year

There are many things I could say about the yearbook staff this year, but modesty prevents it. The staff began work with approximately 30 members, all eager to get out of class to assist with picture taking. After the pictures were taken and after-school meetings were called, attendance began to slack off until there were only two actual staff members. Putting an entire yearbook together is never easy but it soon became increasingly difficult with an active staff of one. Many people did help by writing copy whenever possible. They are: Mr. Robert Anderson, Donna Clary, Mr. George Coulter, Mr. Stephen Deutsch, Mrs. Cindy Ford, Mr. Danny Holt, Mr. Ron Horton, Mr. George Jobson, Mr. Fred Mitchell, Mr. Arthur Roach, Mr. Sewell Rowley, Bobbie Ambrose, George Ballance, David Copeland, Ron Harris, Debbie Hesslink, Lee Jennings, Chris Luke, Karen Markoff, Kathy Rhodes, Terri Robbins, Tim Rowe, Jody Rowell, Bobbie Wagner and Dale Warden. Brenda Barnes contributed in planning, layouts and copy. I would also like to thank Mrs. Susie Harrell, Mr. Richard Joyce, Mr. Danny DeFalco and Mr. Robert Morris for their patience, even though the book was not finished until the end of June. Some of you may not be satisfied with this book. I hope you will keep that in mind next year when the announcement for new yearbook staff members is made. It is always easy to complain about how something is done, but much more difficult to give up some free time to do the work.

New Dimensions In Art

Each month the Art Club, under the direction of Mrs. Neale, selected an "Artist of the Month." The artists' pictures were put on display in the library for the entire student body to see. During Christmas the members visited the Abbey Aldrich Fold Art Museum in Williamsburg. They also attended other various art shows on the Peninsula and also invited guest speakers to display their art at several meetings. Workshops were held to help students develop their own individual talents and to work on projects of their choice.

Members are: Standing: R. Moorefield, C. Behlmar, R. Riley, K. Bennett, S. Adams, Mrs. Neal, Mr. Pugh. Seated: K. Zackman, L. Zackman, D. Taylor, President: Ellen Sanderfer, Vice-President: Grayland Nelson, Secretary: Russell Enos.

NHS Holds Early Induction

The twenty-three members of last years National Honor Society performed the tapping ceremonies on February 5, 1975 under the sponsorship of Miss Scott and Mr. Bird. Seven new members were inducted into the society. Another tapping was held May 25, 1976 to induct qualifying juniors. Admittance into the National Honor Society is based on the leadership, scholarship, service and character of each student. They must maintain a 3.50 grade average. This year a new system was added to make the decision easier. Clubs and sports were arranged with certain point values, then points were given to students depending upon their participation in each activity. This also made qualifying more difficult.

FCA . . . Students For Fellowship With God

The FCA huddle this year was very active and did quite a list of things. They had a Christmas drive for a deserving family, visited an old folks home for a sing-along and raised money to send kids to FCA Summer Camp this summer by sponsoring basketball games. One game was at Tabb where the FCA team played against the school faculty. The FCA had many meetings this year where athletes, students of Tabb, came to know the Lord as their Savior. As it is written in the Bible, John 3:16, "For God so loved the world that he gave his only begotten son, that whosoever believeth in him should not perish, but have everlasting life." Now FCA puts a challenge to you to come and know the Lord. Why? Because God loves you, too.

Socially, they enjoyed an Employer-Employee Banquet, a Christmas Party, and a field trip to Richmond. They also won District 21's softball and bowling Tournaments. Community projects included working with Toys for Tots for Sarah Bonwell Hudgins. They also won a first place for Tabb in advertising and 3rd place for group and solo demonstration contest.

Career Team

The Tabb High School Career Team is an organization of students and faculty members interested in promoting vocational opportunities and career explorations at Tabb. The team provides an important communication link between student body and school administrators by enabling them to help initiate new vocational programs and recommend longrange curriculum changes. The group also evaluates current career programs for both vocational and college bound students. Publicizing the Career Room in the IRC was one of the Teams major projects this year. Standing: Mrs. Morgan, Mr. Henkel, Mrs. Luck, Mr. Woolard, Clarence Coleman. Sitting: Molly Buchanan, Mr. Haase, Chris Luke, Mr. Weaver, Debbie Evans.

AV Club

The 1975-76 AV Club was composed of 13 members whose main goal was "to record news items around school in order to increase communication between students, SCA and what they are doing." They were taught how to use the various pieces of equipment and use this knowledge in classrooms. They also learned to use the video tape recorder and taped our "Tigers in action" at many basketball games. The SCA and AV Club sponsored a Halloween Horrow Film on October 30th showing one film in the afternoon and one in the evening.

This Year's Members Are: Seated: Terry Duncan, Mike Barbeau, Karen Perry, Wendy Wright, Jackie Greene, Keith Davis — President. Standing: Steve Moore, Patty Marquez, Brenda Mullins, Geoff Downer, Eric Samuels. Sponsor: Cindy Ford.

Sight And Sound Corps

The Sight and Sound Corps is composed of Tabb High students who are interested in working the lightboard and sound system for all programs held at Tabb. This year's crew is composed of: Scott Weidman, Mr. Tew, James White, Richard Breen, Steve Walton, Mike Denkins and Angie Veach. Absent: Brenda Scoggins.

Tigers Alive In '75

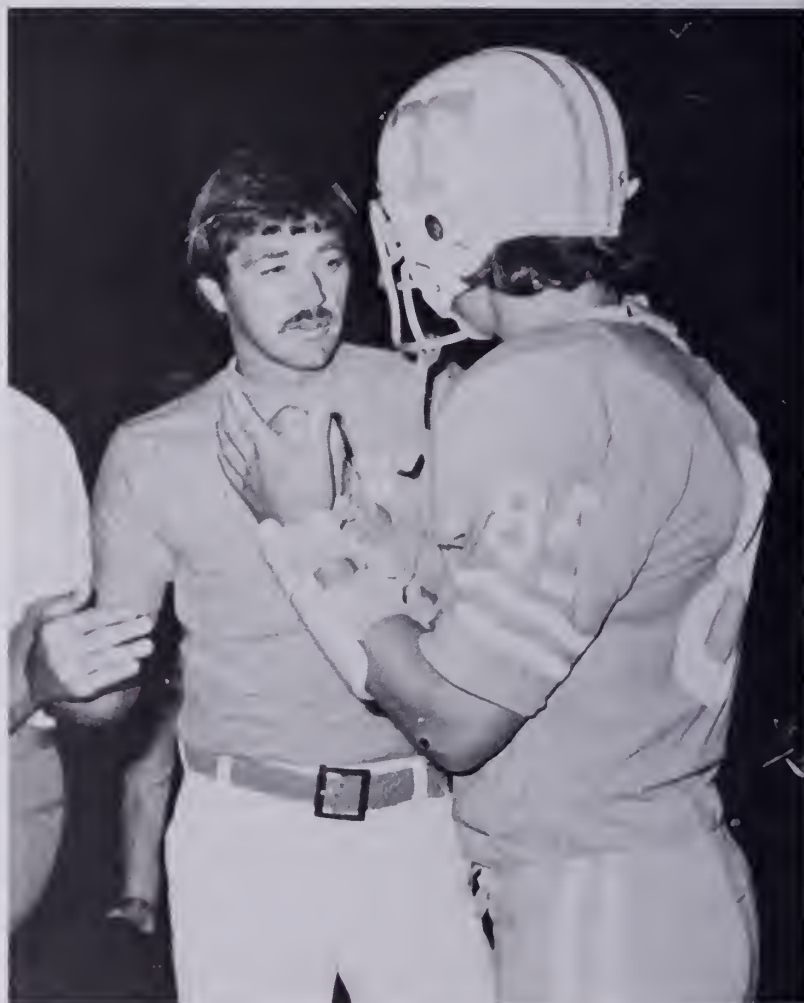

Tabb Tiger football began, as it always does, on a humid afternoon in August. Expectations were high because it was a known fact that this was the best group of returning players in Tabb's history. But, as has been the case all too often in football, injuries took their toll. And what a toll! Several times during the season there were less than 20 players healthy enough to practice.

The coaching staff must be given credit for not quitting on the team. The players were well aware that the coaches, no matter how acute their frustration might be, would always be with them, and that made it much easier to stick it out.

The season was not without bright spots, however. There was Tabb's first victory over the LaFayette Rams, a victory made much sweeter by the fact that it was won in Williamsburg with converted slot-back Dennis Pearce at quarterback. Other highlights included Pearce setting a state record with 43 pass receptions and along with defensive end John Kubesh, being named to the first-team all-district team.

Expectations are high for next year due to the fact that the Tigers will be a member of the new AA York River District. But be the league AA or AAA, be the opponent Hampton or Poquoson, one thing is for certain: The Tabb Tigers will NEVER "throw in the towel."

1975 was the most successful season yet for the Tabb High Cross Country Team, highlighted by an impressive turnout of runners and the team's first winning season.

Coached by George Coulter, the team's main strengths were excellent depth and the emergence of Greg West as a number one runner.

At the District meet, Tabb finished 5th of 12 teams, up from 6th place last year. Among the beaten was rival York.

Greg West placed 14th, best ever for a Tabb runner.

Plagued by illness and absences at the Regional meet, Tabb still managed a 6th place, with a finish in the top 25.

Tabb Wins Basketball Trophy

The 1975-76 basketball squad was the most successful in Tabb High School's short history. Ronald Dillard was the leading scorer and led the team to a 7-13 regular season record and runner-up in the Wakefield Christmas Classic on December 19-20, 1975. The trophy awarded was the first for Tabb in basketball with Ronald Dillard also being selected Most Valuable Player in the tournament.

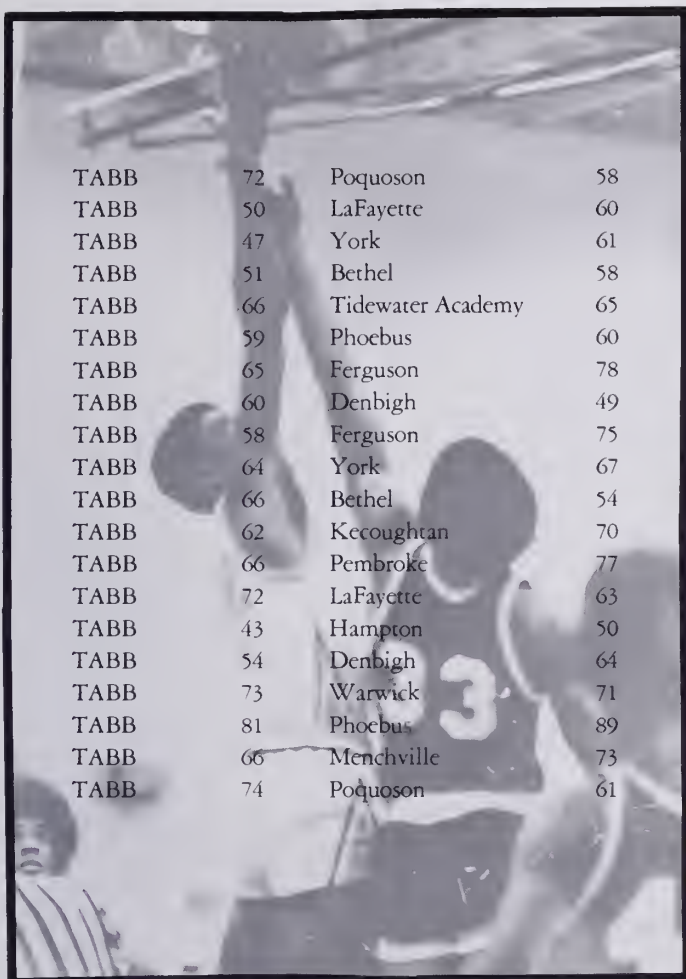

Though the overall season record showed more losses than wins, the Tigers played the best basketball of the school history. Joe Dillard was second in scoring and led the team in rebounding.

Though Tabb conceded a height advantage to most every opponent, the Tigers managed to pressure opponents with excellent defense lead by Lorenzo Moore, Garland Thornton, and Paul Furby.

Consistent and encouraging, Wallace Dillard and Andy Deskins rounded out the squad that will return in 1976-77 to continue a winning and successful season.

The Tabb Tiger Junior Varsity Basketball team recorded another successful season by finishing with 16 wins and 5 losses. The team's continued success is primarily based on learning, practicing, and mastering the basic fundamentals of competitive basketball. The Junior Varsity level is an integral part of the overall basketball program and is primarily designed as the developmental stage for future higher competition.

Team membership is predicated on individual desire, dedication, determination and drive. Each member has a burning desire to learn and improve his basic fundamentals — the dedication to master every phase of competitive basketball, and the determination not to settle for less than perfection. Finally, these young men have the drive to accomplish individual and team goals of confidence and togetherness.

The team constantly displayed an exciting style of play based on a scrambling and gambling philosophy. Defense being their main objective, each member of the team exhibited a total team effort throughout every game of the season. Congratulations to each member of the team and best wishes on continued future success.

Building Year

Once again, this year's Girls' Basketball team showed great potential, but the inexperience of a young team, along with the lack of height, held them back. The year became more of a building one which, along with the team hustle, should help them next year. Outstanding players were Connie Whitaker, with Janice Arena as high scorer.

Under the coaching of Susie Robertson and Beverly Tyree, the Girls' Gymnastic Team ended the season with an 8-4 record. In the District meet, the team placed 4th and Mary Jo Smith qualified for regionals while Olenka Truskett qualified for beam and floor. The hard-work, effort and experience of this year brought a successful year and the team looks forward to an outstanding season next year.

Wrestlers Roll On . . .

Under the leadership of Coach Willard Hunt, the Tabb Wrestlers had their best season ever.

After a slow start, the squad rolled off nine straight victories to finish with a 10-3 record — and a tie for third place. In the District

tournament, the matmen placed three in the finals and Dennis Pearce became Tabb's first

District champion. The Tigers third-place tournament showing was also highlighted by the presentation of the H. Webb Sportsmanship

Award to junior Mel Barbee. The total team strength was shown in the average score of 39-14. The wrestlers also posted two shutouts — the first in the teams history — and held state champion Menchville to under 30 points.

Pep Rallies Raise School Spirit?

As usual the Tabb vs. York football game was the highlight of all pep rallies. This year Tabb hosted the first Tabb '500, a special rally depicting the York defeat. Tricyclists for the York team were Mr. Pippin, Mrs. Hannah Roberts, Mr. Jones, and Mr. Masterson. Tabbs team was Mike Spencer, Mike Spurio, Dennis Pearce and Timmy Thomas. Both the Tigers and the Falcons got off to a good start but the mighty Tigers sped to victory. The Falcons were presented with a gift by the Tiger team, a pie in the face.

*Football players look on with enthusiasm. *J.V. cheerleaders lead crowd yells. *A pile-up which led to Yorks final defeat. *Mr. Pippin pedals on!

The Spirit Of '76

As cheerleading practice began last August, experience was not lacking among the Varsity Squad. Through the freezing cold and pouring rain of football season, twelve girls could be seen yelling cheers and drumming-up spirit for the THS Tigers. The Tabb basketball team saw its best season and the cheerleaders were there to help celebrate the victories and minimize the defeats.

Each week, under the direction of sponsors Mrs. Sherry Hodges and Miss Jane Blalock, a sign was painted and displayed in the Commons to publicize the games. The cheerleaders marched with the Tiger Band in the Williamsburg Christmas Parade and at half-time shows of the football games.

J.V.'s Cheer On!

The J.V. cheerleaders are a group of serious, hard-working girls who also began work in August after summer tryouts. When school started they were ready to open the first J.V. football game with new cheers and spirit. This year's J.V. cheerleaders found cheering was not just something to do in their spare time. It takes hard work, talent, time, coordination and pride in your school to do a good job.

New Records Set By '76 Team

Coach Ron Horton described this year's Boys' Track Team as "terrific." With a 4-7 record in 3-A competition, Coach Horton said there were few school records left unbroken. The team had only a few seniors so the possibility of a fine season and maybe a district title look good for next year's 2-A designation.

Anything Guys Can Do, We Can Too

A 58-52 win over favored York High was the high point of a 50-50 season for the Tabb Girls' Track Team. Coach Fred Mitchell, assisted by Coach Bev Tyree, said, "We are losing only one person from the team and we're looking forward to a good season next year. Outstanding performances were turned in by juniors Connie Whitaker, Robin Brooks and senior Peggy Thornberry.

Robin Brooks finishes her lap in the 440 relay.

Indoor Track

The Indoor Track team ended the season with several new school records. Sophomore Brian McLure set the record for the two mile run with a time of 10:32; Junior Greg West set the high jump record with a jump of 5'10.5"; and the 880 relay record was set with a time of 1:37.1 by West, Mark Starr, Mike Cooter and Mitch Stoutenberg.

Two members went to the state meet in Lexington. These members were West in the 300 yard dash and Valentino Francis in the shot put. Francis qualified for state by throwing the shot 45'3½", placing fourth in the district meet.

Other outstanding people in the district meet were Starr, Mike Spencer, Brian McLure, Clark Ridge, Steve Richmond, Mike Cooter and Mitch Stoutenberg.

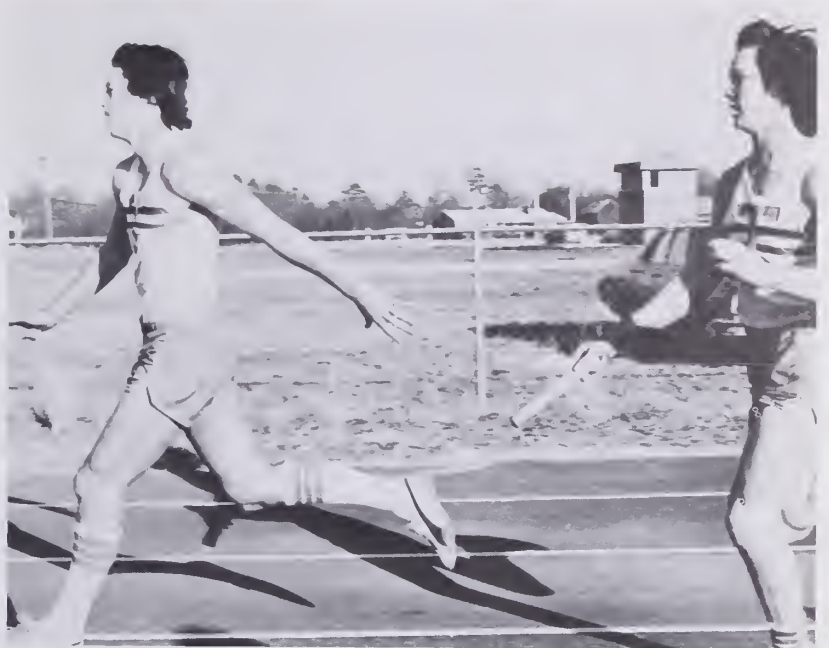

In district competition the team defeated Poquoson and Gloucester. These were significant wins since both will join Tabb in the York River AA next year.

The indoor program probably helped this year's track season by improving runners performances and breaking several old school records.

Tennis Team Has Difficult Year

"When you lose four seniors from your starting six, you know you are going to have to rebuild, but I thought we would do better this year than we did." This statement by Coach Bob Anderson indicates that the tennis team had a "rough" year, losing all 14 of their team matches. In all fairness to them, it should be noted that three of their personnel either did not participate in the season or did not finish out the year's schedule.

Losing so many team matches is very hard on everybody, but we never stopped trying to improve. Several individuals won matches, which helped cheer us from time to time. We have a lot of young players who should help us next season.

Golf Team Has Winning Season

Tabb's 1976 Golf team left 3-A competition in a blaze of glory as Regional Champs the first time ever a Peninsula school has won this honor.

Members of this winning combination included seniors George Ballance, John Cinotto and Doug Lia; juniors Mike Meyers; and Jeff Kane, Greg Lia and Bill Treptow, all sophomores.

Four players — Cinotto, Lia, Steiger and Treptow — represented Tabb at Sleepy Hole in Driver. With a final team total of 318, the team learned they had finished in a three-way tie for first with First Colonial and Kempsville. A two-hole playoff followed, with First Colonial and Kempsville eliminated on the first hole. Greg Lia birdied on the second hole and his teammates all parred. This was good for the title. Treptow also won the individual championship with a score of 71.

Tigers competed at the State meet in Virginia Beach on May 24-25. Competition was keen, and Tabb came away with a sixth place finish. This was only 11 strokes from the winning score and four strokes from 3rd place.

Congratulations to Coach Willard Hunt and his team for a "super season."

Baseball Ends With Another Winning Season

Behind the leadership of tri-captains Pete Windham, Ken Roderick and Mike Foard, the Tabb High School varsity baseball team finished its season with an 8-3 district record and a 17-3 overall record thus completing the most successful season in the school's short history.

Individual honors were awarded to pitcher Mike Foard and catcher Mel Barbee as members of the Peninsula All-District First Team.

Pete Windham, Ron Dillard, Ken Roderick and Kyle Bateman were selected as members of the second team.

Third baseman Joey Wallace received an honorable mention for the District.

Ron Dillard set new school and District records for stolen bases in one season with 20.

To climax the season, Tabb won over Ferguson by 15-1, establishing a record for most runs scored in a single contest, and also for season with 128 runs. The team completed outstanding individual accomplishments together with great team balance.

The Junior Varsity Baseball team had a very successful season this year. Finishing with an 8-5 record, the team showed much ability and desire in all their contests. Members of the team should be noted for their team play and their enthusiasm for the game.

As junior varsity athletics are the building ground for a varsity program, Tabb High can look forward to more fine years of baseball. Tabb has always had a great winning tradition in baseball; this year's junior varsity continued in that tradition.

The Best Of Broadway

The Best of Broadway combined the talents of Tabb's theatre art and music students to present this year's musical. Performing both familiar and new material, Best of Broadway featured the dynamic and persuasive singing of Richard Breen and Kathy Blevins. Pianist Tim Rowe showed a command of the eighty-eights, uncommon to a high school student. Recovering from a momentary fainting spell, Rowe summoned himself to the call, 'the show must go on!' to give the performance of his life. The audience was stunned by director Marian Smith's typically innovative staging. True to her past, Ms.

Barbara Zalumas devoted countless hours, with Tom Smith and

Tom Freeman's unusually capable assistance.

Miss Tabb High

Saturday, March 28, 1976 was a memorable evening for many people. The Miss Tabb High Pageant displayed the spirit of the Bicentennial year through the theme, "America the Beautiful." Miss Tabb High 1975, Teresa Robbins and Senior Bruce Cunningham MC'd the occasion. The tension heightened as the twelve contestants were introduced. The group danced to an appropriate song "I Am Woman," in addition to performing their individual talent. Other entertainment included Calvin Shakespeare Perkins and the Getdown People, Serenity and a comedy skit by Terri and Bruce. At a climatic moment the five finalists were chosen. They were Melody Hedrick, Donna Nuckols, Amy Shiffett, Kathy Rhodes and Cindy Behlmar who was crowned Miss Tabb High. Cindy was also chosen Miss Congeniality by her fellow classmates. A reception was held after the pageant to allow everyone to congratulate the new Miss THS and her court.

Seniors . . . Going Once, Going Twice

Although this year's Senior Slave Sale was not a tremendous success money wise, it did raise underclass spirit. Many paid dearly for the privilege of sitting in the Senior Lounge and parking their cars in the Senior Parking Lot. It was hard to tell who had more fun, the underclassmen forcing Seniors to do humiliating acts or the Seniors following their orders.

Sunny Days Revue Plays Benefit For Tabb

This exciting and entertaining group of young people with a really up-beat show gave three performances at Tabb High in April. The purpose was two-fold — to assist the Tiger

Band earn money for their trip to Canada, and to help the Senior class complete the funds for the prom. The

first half of the Sunny Days show presented different members of the ensemble performing his or her special talent, both vocal and instrumental.

The second act was a complete change of pace — more informal and perhaps more appealing to the high school students. The highlight of the evening was the "oldies but goodies" portion of the show, featuring such favorites as

Little Richard, Sonny and Cher, The Righteous Brothers, The Everly Brothers and who will ever forget Charlie Cheek as "The Monster Mash." The group also returned in May to entertain at the Senior Prom.

Sunny Day Entertains At Prom

Seniors anxiously awaited the night of May 8th, the date set for Prom. At 9:00 that evening, couples began to slowly drift into the Bon Homme Richard to attend the last "school dance." Senior Superlatives were announced at 11:00 and at midnight, a toast was presented to the "Class of 76." By 1:00 the Fleet Room was once again quiet as seniors left to participate in the many planned and unplanned parties that would last throughout the night. But though the night came to an end, the memories would last a lifetime.

Top Left: Couples danced till the last strains of "Mahogany" were heard.

Top Right: Others sat back to enjoy the music.

Middle: Everyone wondered how Steve Smith kept his steady smile — until they saw the source.

Bottom: Most people just had a good time, including Mike Foard, Lisa Wooddell and Mike Wirt.

Seniors Off To Florida

On May 27th a small group of Tabb Seniors were herded on the bus for their four-day trip to Florida.

Upon reaching Orlando, the group visited Circus World, but since it took approximately 5 minutes to tour the "World," many students decided to try new things. Some went shopping while others went to a Disco. Disney World was next on the agenda. On May 30th Daytona Beach was invaded by Tabb Tigers who had an intense desire to bake under the Florida sun. The trip home, to say the least, was a quiet one.

Classday . . . The Final Farewell

Friday, June 4, 1976, once again brought both Seniors and underclassmen to the gym to participate in Class Day. The class history was read by Robin Collins, Frank Arena, and Donna Harrison, followed by an original song for the class composed by Mary Jo Smith, Lynn Larson and Robin Smith. The Last Will and Testament was next by Mary Henkel, Richard Evans and Margie Sarver. Senior Superlatives were accented by the appearance of Mike

Wirt wheeled in in a wheelchair and Mike Spencer wearing a mask. Darlene Thomas continued to sing "The Way We Were," even though the pianist stopped playing and Phoebe Quaterman recited a comedy skit on the rising costs of graduation. The program ended with a skit by the Senior Band Members with several featured dancers . . . J. W. Simpson, David Nuckols, Ricky Stanley, Mike Spencer, Siggy Jones, and Lee Jennings.

Graduation . . .

The third annual commencement exercises were once again held in the Tabb gymnasium. School officials felt that a planned program in the gym was better than a last-minute switch from outdoors because of rain. The Class of '76 is, as everyone knows, the first class to complete four full years at Tabb High. While this in itself brought a certain sense of excitement and joy, there was still a small amount of doubt and sorrow. While many graduates were thrilled that they would never again have to set foot in Tabb, others were tearfully telling friends and teachers good-bye. To quote C. F. Kettering, "We should all be concerned about the future because we will have to spend the rest of our lives there."

Superlative winners were announced at Prom, and on Class Day, they received a certificate stating the honor bestowed upon them.

Canadians Visit Tabb — Eh!

Band, majorettes and cheerleaders were once again able to see their new friends from Canada. The Applewood Heights Band and Chorus came to Tabb via Washington to play a concert at the new Yorktown Victory Center. They were the first foreign band to give a concert at the center. Before the Yorktown concert, both groups and the Stage Band gave two concerts for the Tabb High student body, which was one of the best assemblies given at Tabb — both by the Canadians and the conduct of THS students. A guided tour, by Mr. Roach, through Williamsburg was a thrill for both Applewood and Tabb students. Saturday was to be spent at Busch Gardens, but rain changed these plans. Most students could be seen strolling through the Coliseum Mall with the Canadians searching for "Virginia is for lovers" T-shirts. That night a dance was held in the commons in honor of the visitors. Sunday morning came much too soon as, once again, it was time to say good-bye. Last minute pictures and addresses were exchanged and promises to visit each other again soon as the buses headed back to Canada.

Top Left: Tabb cheerleaders worked to make posters to welcome the students from Applewood. Sayings such as, "Y'all come back" and "Eh" were heard all week throughout the halls of Tabb.

Juniors Gain Control Of Lounge

On June 11, 1976, even before the Class of '76 had officially graduated, the Class of '77 invaded their new Senior Lounge. During homeroom, while underclassmen were patiently awaiting the tone for first period, Juniors held a ribbon-cutting ceremony opening the lounge to them. Juniors in the Tabb Tiger band marched through the commons and down the hall playing the "Fight Song" to emphasize the occasion. Class President Debbie Wilburn, cut the orange ribbon surrounding the lounge, opening it to a mad rush of Juniors. But alas, all good things must come to an end — at least during class time — and the new Seniors found, just as the ones before them, Mr. Markoff's mighty voice ordering them out of the lounge and on to class.

Top: Debbie Wilburn cuts the ribbon to officially open the lounge.
Middle: The usual mad rush to get a seat.
Bottom: Ours at last.

This Year, Tabb High

Gained a new principal

Lost a vice-principal

Played

Studied

Had fun

Worked

Ate

Celebrated the nation's birth

Students And Faculty . . .

Competed in sports

Ran for office

Held conferences

Laughed

Mourned the passing of
two students

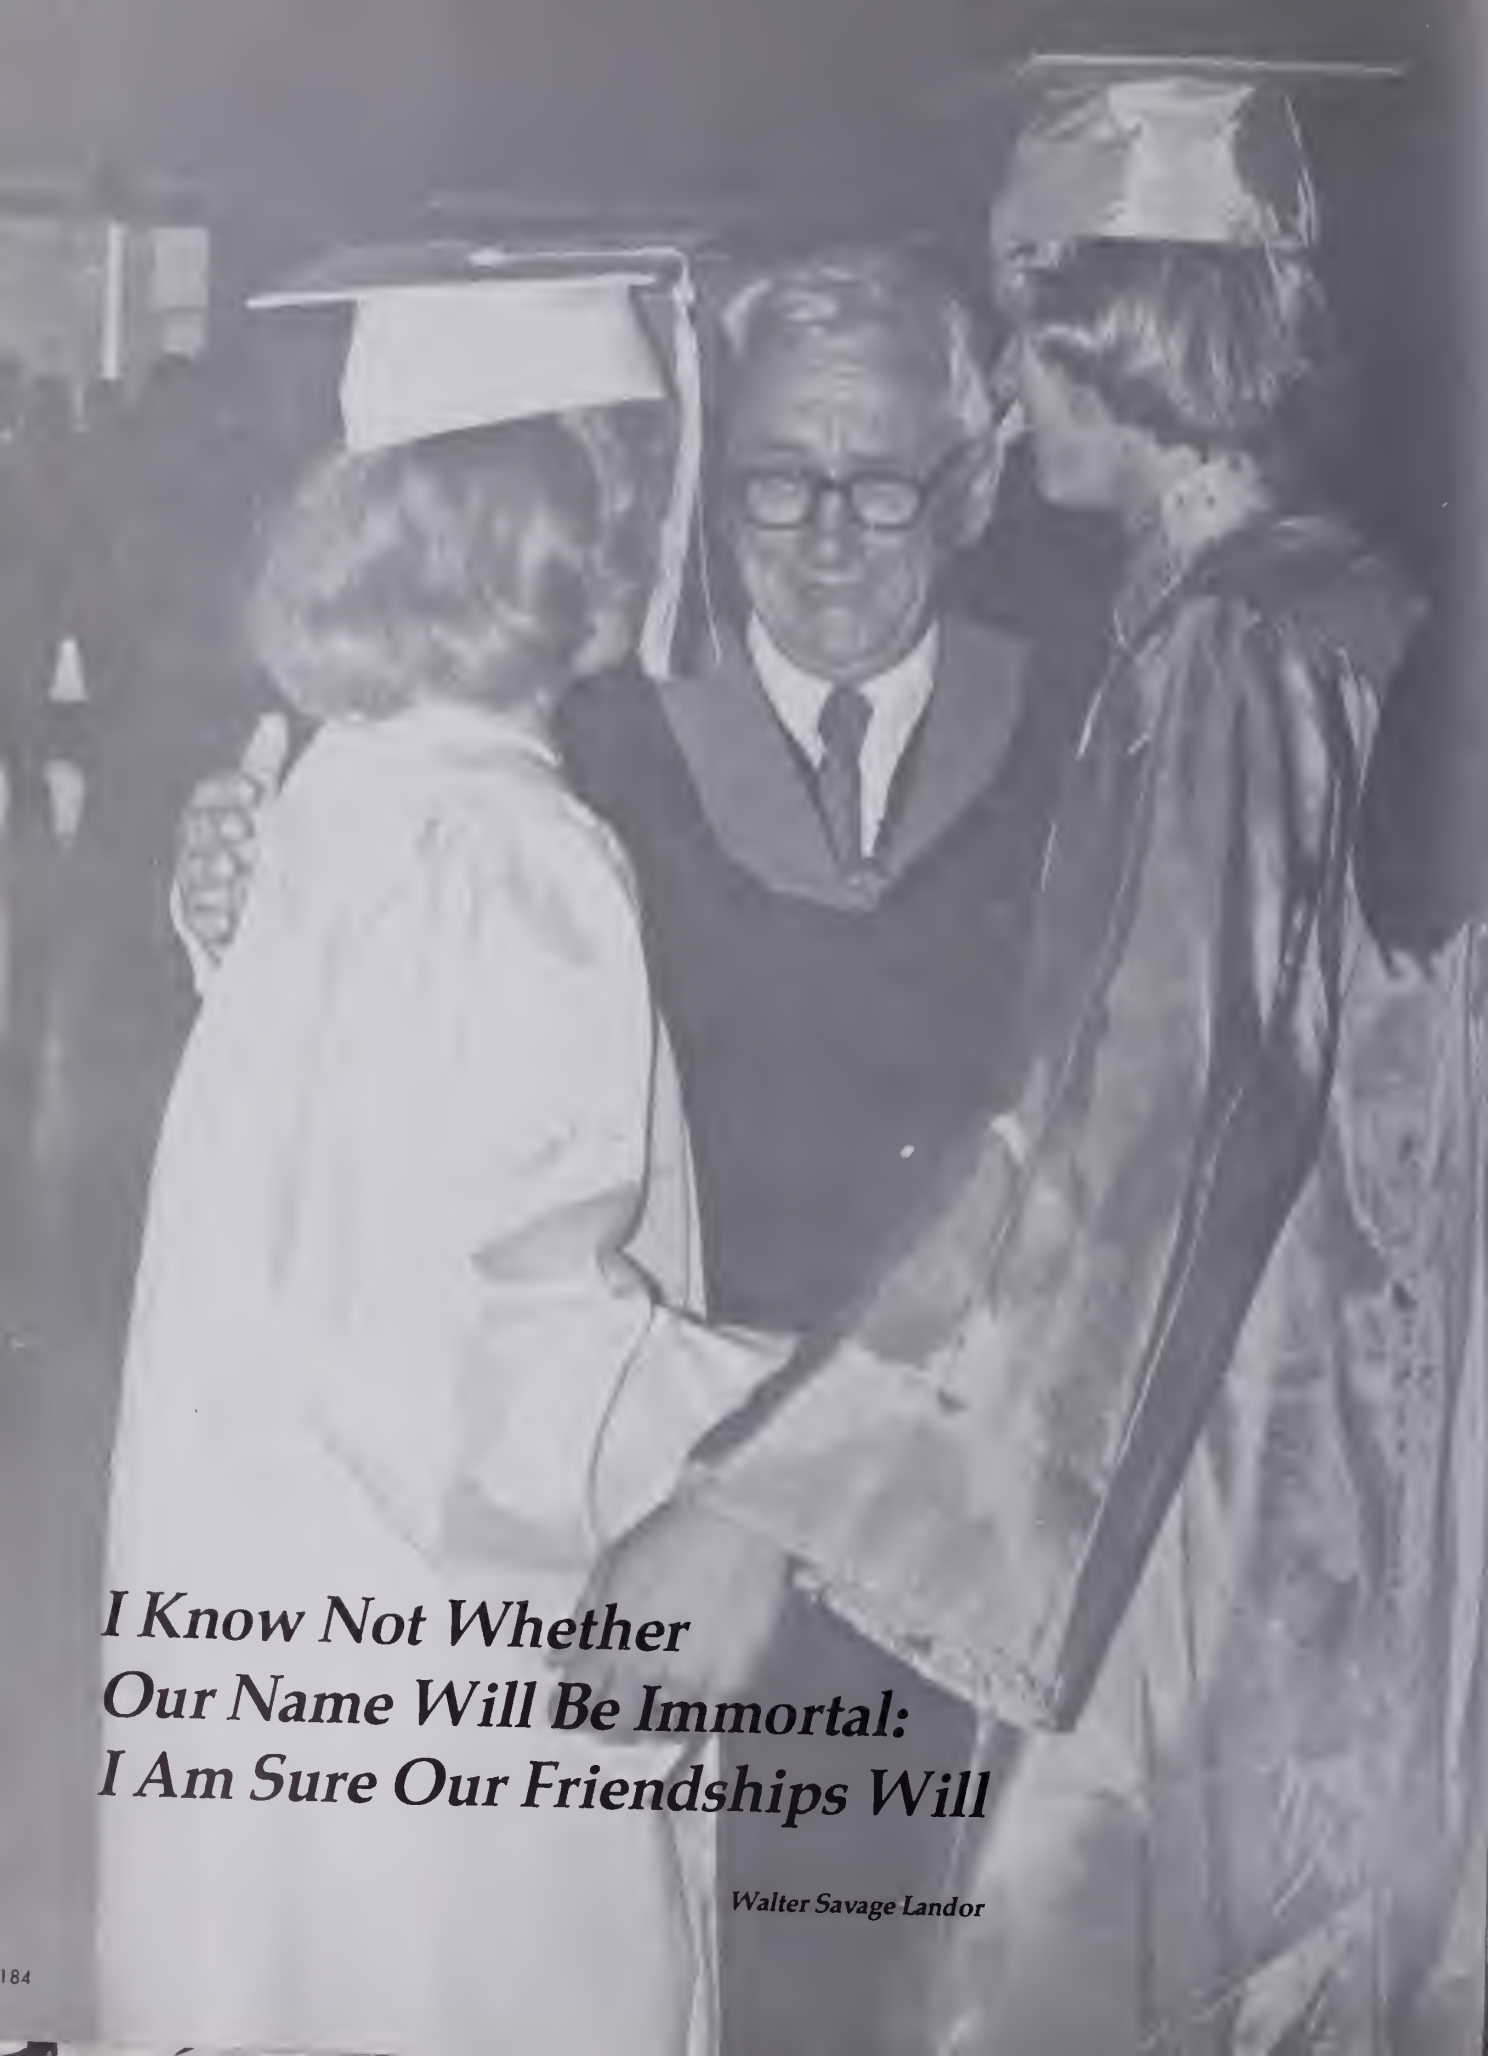

The clock of life is wound but once,
And no man has the power to tell
Just when the hands will stop
At late or early hour.
Now is the only time you own:
Live, love, toil with a will,
Place no faith in tomorrow:
For the clock may then be still.
